## Important Notice...

Insurance companies are required to furnish identification cards for all vehicles insured under an automobile policy. The Florida Automobile Repairs Reform Act (No-Fault Law) requires all vehicles subject to the act be insured. This card should be carried in the vehicle for which it is issued. The card will be used as proof of insurance by enforcement officers in completing traffic reports following accidents and violations, for auto registration and to obtain license plates.

If you lose your card or have any questions about its use, or any questions about your insurance, contact your Nationwide agent. Additional cards are available upon request.

Las compañías de seguros están obligadas a proveer tarjetas de identificación para todos los vehículos asegurados bajo una póliza de auto. La Ley de reforma a las reparaciones de automóviles (Ley de no culpabilidad) exige que todos los vehículos sujetos a la ley estén asegurados. Esta tarjeta debe llevarse en el vehículo para el cual se emite. La tarjeta se usará como comprobante de seguro por parte de los agentes de la ley al completar informes en casos de accidentes e infracciones, para matricular el automóvil y obtener placas.

Si pierde su tarjeta o tiene preguntas sobre el uso de la misma, o si tiene alguna pregunta sobre su seguro, comuníquese con su agente de Nationwide. Podemos proveer tarjetas adicionales si lo solicita.
